

## 15 of the Best G-Spot Vibrators

When you've had a long day at work, you're tired, emotionally drained and desperate for a glass of red wine and a good book. But there's something else niggling there at the back of your mind. In fact, it's actually been at the front of your mind all damn day. You can't wait to get home and have pamper session with your vibrator. It's been calling to you from your underwear drawer since you practically woke up. Chances are though if it's not one of the best G-spot vibrators out there, you're going to be left even more frustrated than you already are. So, maybe it's time to switch it up?

Thankfully, help is at hand, with our comprehensive list of the 15 best G-spot vibrators on the market, we're sure your perfect pleasure pole is within your grasp. Go on, treat yourself – you deserve it.

### **Slimline G Vibrator Waterproof 8.25 Inch – Purple**

Getting some seriously rave reviews is this powerhouse of a vibrator with a delightful egg-shaped head. Coming in at 8 inches, it's perfect curve will hit the spot every time. Girls who usually can't get off are going wild for it and it's one of the best-selling products currently available.

### **Stronic Drei Petrol Pulsator Thrusting Vibrator**

Most notable for being the first sex toy to actually thrust and not vibrate, for 100% hands-free stimulation like you've never experienced before. The textured, ribbed mould will turn you on just by looking at it too. It's fully rechargeable, so you'll never run out of fun as you ride it in the bath, bed or shower. Or just wherever you want, really.

### **LELO Gigi 2 – Grey**

The world's best selling G-spot vibrator has had a revamp, but it certainly shows no signs of slowing down just yet. With 8 different vibration patterns, fully waterproof design and that all important flattened tip for maximum spot coverage, you'll be screaming the house down with this one in no time. Maybe put a note through your neighbor's door apologizing beforehand.

### **Slimline G 7X Minis, Tender Teal**

Based on the design of its big brother, the Slimline mini is perfect for pleasure on the go. With seven variations in speed and vibration to explore, it'll keep you occupied anywhere and anytime. Perfect if you're looking for something a little less intimidating too, this baby is a great entry-level vibe.

### **Icicles No 15 Glass Vibrator 6.5 Inches Gold**

A truly beautiful and unique vibrator, this is as attractive as it is practical. The hand-blown glass beads will stimulate wherever you need to be stimulated, and the wired controller makes it easy to lie back and enjoy its intense vibrations. It's getting some great reviews recently too.

### **Elise 2 Dual Vibrating Silicone Vibrator Waterproof – Purple**

Available in three attractive colors, this sleek wand is an improvement on its predecessor, with increased power in its base and tip. It can run silently for four hours on just a two-hour charge. Made with FDA-approved and phthalate-free ABS plastic and silicone and incorporating an easy-control, lockable dial for peace of mind, this is definitely a step up.

### **Picobong Moka G-vibe – Purple**

The Moka G-vibe's shape ought to instantly impress, with a defined curve that you know is going to hit the right spot. The flat tip ensures you enjoy stimulation over a wider area and it's extremely powerful to boot while also being on the quieter side for discreet play, and waterproof to a depth of one meter. Maybe not a great idea at the local baths though.

### **Big Boss Black G-Spot Vibrator**

Coming in at 9 inches long and 2 inches thick, this black behemoth is for those who want something a little more dominating. The shaft can move and flex with you, with the technology to accommodate all shapes and sizes. Because of its size, you might need to take it easy at first – but it'll be worth it. Does exactly what it says on the tin.

### **Icicles No 19 Waterproof Glass Vibrator**

Another beautiful design, this waterproof glass vibrator is dotted with striking studs for an extra special sensation. The hypoallergenic glass is nonporous and safe to use in and all over your body while being extremely easy to clean. Try putting it in the freezer for a mind-blowing experience - but easy does it.

### **G-licker 12x Silicone Vibe with Clitoral Stimulation**

Contoured to hit you right where you want, this magic wand has got an extra special treat in store with its clitoral stimulation wheel. With 12 settings including 3 speeds and 9 different pulse patterns, you can bend this amazing device so it does the job inside and out. Oral sex and penetration stimulation at the same time – what's not to like?

### **Lana Black Partner Vibrator**

Unique, small, discreet and powerful, this ergonomic toy will get you and your partner's pulses racing. Specially designed for his or her use, it packs a punch with multiple speeds and vibrations while providing the ability to operate from a wireless remote. Give your partner pleasure from the other side of the room with this little wonder.

### **Comet II Rechargeable G-Spot Wand – Purple**

With a dynamic, curved design and waterproof, glass-like grip, this elegant toy is guaranteed to blow your mind. Fully rechargeable and latex free, it boasts 7 variations of multi-vibrations and that all important travel lock mode. It's super easy to clean too.

## **Vr9**

Cleaning up at with adult toy awards is this gorgeous number, ergonomically designed and beautifully crafted. Looking more like a musical note, it's possibly one of the best vibrators ever made. With powerful motors in both tips, it's a seamless delight that will work you into a frenzy at multiple speeds.

## **7-Function Classic Chic Standard "G" Vibes – Black**

Simple yet highly effective, this discreet stimulator packs some incredible power in spite of its mini design. With 7 functions of vibration, pulsation, and escalation it has a silky-smooth finish that will drive you wild. Constructed with phthalate-free materials it's another easy clean toy that does exactly what you need it for.

## **G Vibe G-Pop Royal Blue**

Another entry for the couples, this strikingly designed toy will hit the G and the P spot with its 6 vibrations modes and varying intensity. Made of premium class hypoallergenic silicone and fully rechargeable, its smooth finish and powerful motor will ensure hours of pleasure for him and her.
